Step 1: Preparing Your Workspace

Set up a calm, uncluttered space. Arrange your materials within easy reach, and ensure good lighting.

Step 2: Mixing Ink

Pour a small amount of ink into the dish. Add water to dilute ink for lighter shades. Practice creating different ink tones by varying water ratios.

Step 3: Practicing Basic Strokes

Start with dotting to control your brush pressure. Practice horizontal and vertical strokes. Experiment with diagonal and wavy lines. Focus on smooth, confident movements.

Step 4: Creating Simple Subjects

Begin with easy motifs such as:

- Bamboo stalks:** Vertical lines with occasional leaves.
- Plum blossoms:** Small dots and simple branches.
- Rocks or stones:** Bold, irregular strokes.
- Water or clouds:** Gentle, wavy lines with lighter ink.

Step 5: Using Negative Space

Leave parts of the paper untouched to define your subject and create balance. For example, a single branch with leaves can be painted with ample empty space around it.

Step 6: Reflection and Adjustment

After each practice session, review your work. Notice areas where your strokes can be more confident or where ink dilution can be improved. Remember, perfection is not the goal ? expression and mindfulness are.
