These texts combined ritual instructions, sigils, and incantations, often encoded symbolically. With the advent of printing and later digital technology, spells dictionaries transitioned into printed books and online databases. The 20th-century rise of modern witchcraft movements, like Wicca and Chaos Magic, further propelled the development of accessible, organized repositories of spell knowledge. Today, digital spells dictionaries are available as websites, apps, and e-books, often supplemented with multimedia content such as videos and audio chants.
